FAREWELL! MAY 2007

Dear **Jam Club** members

Well, sadly this will be the last **Jam Club** newsletter I shall be writing for you. Angela and I leave Wickhambrook at the end of May during half term week.

We are very sad to be leaving but my job takes me to Haverhill and working in the church there.

Have you been to Haverhill? The church is in the middle of the town (opposite Argos!) Hope you will call in and have a look, especially if you come on a Saturday morning

when the church is open for coffee and refreshments.

We have had such a good time here in this part of the world. Lots of good **Jam Club** sessions, and Hot Cross Bun Clubs where many of you first came along to meet us. Can you remember your first time at **Jam Club** ?

It has been interesting for Angela and I to see you grow up in the last eight years that we have been here. Some of you came along as little tots and have grown into lovely young people. I have Baptised many of you over the years and some who have gone on to be Confirmed.

Sunday 27th May will be my last service. It will be at 10.00am in Wickhambrook church. Maybe you and your parents could come along and join us. There will be some refreshments after the service too.

This coming Sunday is of course **Jam Club** .

Starts as usual at 9.15am in the Benefice hall and goes on until 10.45am. It is the last one when Angela will be helping. I think Sarah and Jackie are organising a little party. So try not to miss it!

If you are able to come along Sarah asks if you might ask your mummy if you can bring something to share for the party. If she wants to call Sarah her number is (01440 821313)

Those of you who go to Wickhambrook School will still be seeing me as I am staying on as Chairman of Governors until a new Vicar is appointed and to help the new Head Teacher who starts in September.

Please remember us when you say your prayers—it's a bit scary moving homes and jobs. I hope that the people in my new church are as friendly and helpful as you have been. I will remember you in my prayers too—especially on **Jam Club** Sundays.

Father Ian
